Per your request, attached are the draft FY2020 narratives as of Monday, March 11<sup>th</sup> from OCFO. As you may remember, the narratives were provided to OCFO, after IOAA concurrence, who then submitted the narratives to OMB. OMB responded with comments (see attached) which OCFO is addressing now. The narratives are not final and won't be until March 18th.

Regarding the FY 2020 factsheets, OCFO did not request factsheets from OPARM. As we understand, the factsheet process is being coordinated solely out of OCIR. Sam Linkins, ORD's Congressional Liaison, is leading ORD's factsheet process. As a result, OPARM has not sent any factsheets to OCFO or OCIR thus we do not have the latest versions. We also understand that final factsheets are due to OCIR on March 19th.

I hope this helps. If you have any additional questions or requests, please contact me. T
